

Details for Contributions to Bobby Morris

January 5, 2012

Greetings,

We come to you today with well wishes for the New Year. May it be a blessing to you all.

As you may know, one of our employees, Mr. Robert “Bobby” Morris was a victim of an unfortunate crime during this holiday season. In the process of performing his duties, Bobby was struck by an apparent drunk driver, pinned between the garbage truck and the vehicle, and lost part of his leg. He is currently recovering at the Robert Wood Johnson University Hospital in New Brunswick New Jersey where he will undergo several surgeries, and extensive physical therapy.

We have received an outpouring of support for Bobby and numerous inquiries from many residents, churches and other community organizations about how they can help, since the road ahead will be very challenging for Bobby and his family. To assist in this matter, we have set up a separate segregated bank account entitled “**The Bobby Morris Fund**” to provide an avenue for those who would like to make a contribution. All funds received will be used for the sole purpose of providing financial support to Bobby and his family in this hour of need. If you are interested in making a contribution, no matter how small, please feel free to contact Bonnie Mills at (908) 226 – 2518, or send any financial gift made out to “**The Robert “Bobby” Morris Fund**” at:

Plainfield Municipal Utilities Authority (PMUA)
127 Roosevelt Avenue
Plainfield, NJ 07060
Attention: Bonnie Mills, Office of the Executive Director

We thank you in advance for any and all contributions towards **The Robert “Bobby” Morris Fund** and ask that you keep Bobby in your prayers for his physical and spiritual healing.
