3.

Advancement

A new year is always a great time to reflect on the past and plan for the future. Our mission continues to be facilitating and sustaining optimal public health and quality of life. Going into 2017 we are focusing on three key areas to propel continued success in this mission.

Education

Knowledge is power, and through school and community outreach we'll be spreading awareness and advocating for responsible actions that protect our environment. As well, staff training remains a priority to ensure quality customer service.

Development

We are excited about the evolving landscape of our Queen City. New construction, new residents and businesses... Plainfield is on the rise, and through customer surveys, rebranding, new business and service offerings, we too are focused on development and expansion to make sure we stay in stride with the needs of our thriving city.

Advancement

Technology is always the wave of the future, and we'll continue to examine and implement best practices into our operation to ensure business is running efficiently and effectively.

With 2016 coming to a close we at the PMUA want to take time to thank you, the community, for your continued support of the vision we work to manifest everyday.

To stay updated on PMUA news and activities in 2017, call or visit us online to register with our customer contact system. Also, let us know what your New Year resolutions are by reaching out to us on social media @PlainfieldMUA on Facebook or Twitter and use #greenresolution.

Plainfield Community Celebrates America Recycles Day

In honor of America Recycles Day College Achieve Charter School students cleaned up their school neighborhood. Teacher Mary Greeley took her "Green Group" out to celebrate beautifying the streets around its campus picking up litter and debris. Plainfield also celebrated with Cook School's 3rd grade who took part in America Recycle Day by playing the PMUA's "Is

it Trash or a Recyclable?" game. In commemoration of the day, students quickly saw which materials get disposed of in a solid waste trash can vs. the many materials that get disposed of in a recycle can. Plainfield students joined the PMUA in observance of America Recycles Day with these special green activities.

SPOTLIGHT ON: Queen City Pride Plainfield, NJ

We at the PMUA are all about helping to keep neighborhoods clean and green, and it's always exciting to see residents rally to action around this mission as well. Enter Queen City Pride Plainfield, NJ, a local citizen-organized initiative focused on promoting civic pride and uplifting the quality of life in Plainfield. Lead by newcomer resident Timothy Priano and partner, QCPPNJ has already coordinated over a dozen litter cleanups and is ready to continue the momentum into 2017. For more info and updates, visit <http://www.queencitypride.org> or email info@QueenCityPride.Org.
